### Primary, Ballet 1 (Chickens, Bulls)

#### Hair: Cross-over plaits

Search for **Cross over Plaits** on You Tube for a tutorial by **Just Dance Hair**

We like to use *Cantu Shea Butter leave in conditioning repair cream* (available at Walmart or Target) as the hair is easy to comb through once the braids are removed. We prefer *Soft n Style Heavy Hair Pins* or *ForPro* (available on Amazon) 3" for long hair, 2" for shorter/thin hair. If your daughter does not have enough hair to braid and crossover, follow the instructions up until the braids, at that point make two baby buns and fasten with pins. Spray all baby hairs with gel or spray. Please keep in mind our Primary, Ballet 1 dancers will be wearing headbands, so test that the braids are back far enough to be able to place a headband.

**Makeup:** Turquoise blue liner or shadow on the eyelids, pink on cheeks, and a true red lipstick (avoid orange or burgundy tones).

### Ballet 2/3/4/5 (Seguidilla, Shoppers, Cupids, Dryads)

#### Hair: Center part, low bun in center

Search You Tube for **Listowel School of Dance Low Bun**, they have a nice tutorial\*\*.

Part the hair down the middle, brush all the hair into a low ponytail. Braid and wrap into a bun. Secure with pins, the bun should lay flat against the head. Be sure all baby hairs are slicked back with gel or spray. You can use a little bit of coconut oil to add some extra shine (rub a small amount into hands and slide over the crown and sides of head after bun is complete).

\*\* I do prefer the ponytail to be braided prior to wrapping into a bun. However, if hair is too thin or extremely thick the bun may look better unbraided. Ask your teacher for advice if you have questions.

**Makeup:** Lavender on eyes such as Almay Shadow 110 Lilac (avoid dark purple/violet tones as they sink the eyes on stage), pink or red blush, true red lipstick (avoid orange or burgundy tones). We like to use Lipsense Blu Red Lip Color, but there are lots of true reds out there.

### Ballet 6/Adv (Soloists):

**Hair:** Center or side part, low bun off to left side. (Curl on forehead or cheek for Kitri, Mercedes, Karmencitta, Kitri's friends, & Bridesmaids)

**Makeup:** Option of Lavendar or neutral colors on eyes, depending on which looks best with your skin tone, pink or red blush, true red lipstick (avoid orange or burgundy tones). We like to use Lipsense Blu Red Lip Color, but there are lots of true reds out there.

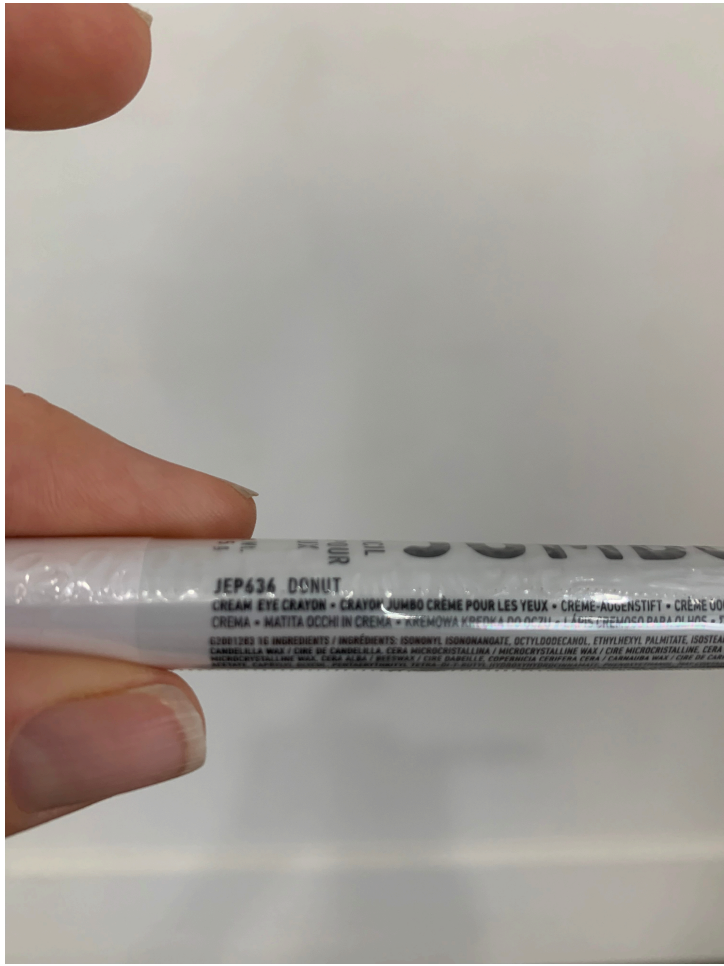

**\*\*ALL HAIR MUST BE SLICKED BACK AND SPRAYED! NO baby hairs, fly aways, or messy buns.**
