We like to use *Cantu Shea Butter leave in conditioning repair cream* (available at Walmart or Target) as the hair is easy to comb through once the braids are removed. We prefer *Soft n Style Heavy Hair Pins* or *ForPro* (available on Amazon) 3" for long hair, 2" for shorter/thin hair. If your daughter does not have enough hair to braid and crossover, follow the instructions up until the braids, at that point make two baby buns and fasten with pins. Spray all baby hairs with gel or spray. Please keep in mind our Primary, Ballet 1 dancers will be wearing headbands, so test that the braids are back far enough to be able to place a headband.

Makeup: Turquoise blue liner or shadow on the eyelids, pink on cheeks, and a true red lipstick (avoid orange or burgundy tones).

Ballet 2/3/4/5 Ball dancers (Arrival of Princess, Looking for Cinderella, Mazurka).
