

Primary, Ballet 1/2

Hair: Cross-over plaits: We like to use *Cantu Shea Butter* (available at Walmart or Target) as the hair is easy to comb through once the braids are removed. We prefer *Soft n Style Heavy Hair Pins* (available on Amazon) 3" for long hair, 2" for shorter/thin hair. If your daughter does not have enough hair to braid and crossover, follow the instructions up until the braids, at that point make two baby buns and fasten with pins. Spray all baby hairs with gel or spray. Please keep in mind our Group A dancers will be wearing headbands, so test that the braids are back far enough to be able to place a headband.
